Kenny Low (Candidate for Web Officer)
Churchill College, Year 2: Natural Sciences

After studying International law during the second year of my degree I have become convinced of the importance of international organizations to the smooth running of our global society. I believe groups such as CUUNA are vital in promoting discussion and raising awareness of global issues and the role of international organizations within the student population.

If elected treasurer of CUUNA I would wish to play an active role in the society. As well as consolidating and organising the existing financial base I would enjoy actively planning and organising society events. In order that the society continues to grow it is important that the accounts are well organised and funds are continually generated. I believe my previous experience would enable me to achieve these aims successfully for CUUNA.
